Application to enter the Frosty Foster Program

Synopsis:

1. It would be an "open-ended" fostering, whereby the home would keep the dog until the dog passes over the Rainbow Bridge, or the circumstances of the applicant change, i.e. assisted living, or they themselves pass over the Rainbow Bridge.
2. The applicant would have to be 60 years or older.
3. The dog in question would have to be 10 years or older.
4. Cape Dachshund Rescue would be liable for any veterinary expenses incurred.
5. The applicant would be responsible for the day to day living expenses, i.e. food, water.
6. There would be no adoption fee applicable.
7. Should the applicant's circumstances change to the point that they are no longer able to care for the dog, the dog would be returned to Cape Dachshund Rescue, or, should a family member opt to adopt the dog, the relevant home check of the family member would apply.

Terms and Conditions:

Cape Dachshund Rescue considers our Foster Families to be essential to the welfare of our senior dogs and wishes the experience to be enjoyable and free from misunderstanding or difficulty. Please note that we have the following guidelines:

1. The Foster Family would follow all procedures and guidelines of Cape Dachshund Rescue regarding the foster dog and would not make decisions or take any actions regarding the dog's veterinary care without prior approval from Cape Dachshund Rescue.
2. The veterinarians working with the Cape Dachshund Rescue animals are approved for medical services provided to our rescue animals. Should any major procedure be required, the Foster Family must contact Cape Dachshund Rescue and, ideally, the pre-approved veterinary team would be used for all procedures. In the event that the Foster Family expends funds for pre-approved veterinary care, Cape Dachshund Rescue would reimburse the Foster Family.
